Dear Sir:

Responsive to an Office Action mailed June 15, 2005, with a three month period for response, the applicants would request the reconsideration and reexamination of the claims, in view of the present amendments and corresponding remarks.

As presently amended the application includes 22 claims, which is less than the highest total number of claims previously paid for (37 total), 7 of which are independent, which exceeds the highest number of independent claims previously paid for (6 independent) by 1. Consequently, an extra claim fee in the amount of \$200 is believed to be due.

In conjunction with the present response, a request for a one month extension is being simultaneously submitted, which would extend the response date from September 15, 2005 to October 15, 2005. The present response is being filed on October 17, 2005, which is the first business day after October 15, 2005, which falls on a Saturday. In association therewith, a fee in the amount of \$120 is believed to be due.

The applicants' representative authorizes the Commissioner to charge the aforementioned fees, as well as any other fees deemed to be necessary in connection with entry and consideration of the present amendment including any fee required to cover any deficiency associated with any underpayment, or to credit any overpayment to Deposit Account No. 50-2117, of Motorola, Inc.
